IS A KENTUCKIAN

Louisville Physician Won a Wichita Bride.

CEREMONY AT ST. LOUIS

Other Events in Society's Gay Whirl.

Another of Wichita's daughters captured in the bonds of matrimony. This time by a Kentuckian. Some two years ago, Miss Grace Sutton visited her sister, Mrs. Dillard at Louisville, Kentucky, and so charming was she in manner and attractive in form and figure that the local papers had her photograph taken and the cut appeared over the words "one of the beautiful girls of Kansas." Many sought her acquaintance and among the number a young physician of eminence and one of the old families of Kentucky. Their acquaintance ripened into mutual admiration and love and the final came last Thursday when Mrs. Hannah E. Wilton announced the marriage of her daughter, Grace, to Dr. William Henry Coleman, Thursday, November 14, at Centenary M. E. church, St. Louis, Mo. The ceremony was pronounced by Mr. Rev. Dr. J. H. Young. Miss Grace Wilton is a Sedgewick county girl and a graduate of the Wichita high school class of 1897. She is the sister of Mrs. J. R. Anderson and Mrs. Harry Sutton of this city and possesses rare and excellent qualities of mind and heart, such as best equip young womanhood for the holy office of wife. Dr. William Henry Coleman is a young man of sterling qualities, admirable character and will fill a high position in his profession and is to be congratulated on the prize he has won in one of Wichita's beautiful and cultured maidens. Why Don't You Seek Relief?

A really healthy woman has little pain or discomfort at the menstrual period. No woman needs to have any. Wine of Cardui will relieve all those smarting menstrual pains and dragging head, back and side aches caused by falling of the womb and irregular menses.

March 29, 1900, Mrs. W. H. Jones, of Cameron, Mo., wrote the following to The Chattanooga Medicine Company: "I ask you for advice for the treatment of my complaint. I hear a great many women in my condition are cured by Wine of Cardui, so I send for the medicine." The medicine was sent with plain directions regarding treatment required, and August 31, 1900, she wrote again: "Perhaps you will remember Mrs. W. H. Jones who wrote to you six months ago asking for advice which you so kindly gave her. I never will be able to thank you enough for it. I suffered terribly at my monthly periods for three years. I would sometimes go for seven months with no flow at all. Now I have my health back again and am expecting to be confined in January. I cannot praise your medicine enough."

WINE OF CARDUI

has brought permanent relief to 1,000,000 women who suffered every month. It makes the menstrual organs strong and healthy and gives women relief from the terrible aches and pains that blight so many homes. The only thing necessary is to seek relief—to go to a drug store and get a \$1.00 bottle of Wine of Cardui and take the medicine in the privacy of your own home.

Greenwood, La., October 14, 1900.

I have been very sick for some time. I was taken with a severe pain in my side and could not get any relief until I tried a bottle of Wine of Cardui. Before I had taken all of it I was relieved. I feel it my duty to say that you have a wonderful medicine.

Manufactured by the California Fig Syrup Co., only and sold by all druggists.

COAL CONTRACT LET.
Jackson Coal Company to Furnish County With Coal.
The county commissioners yesterday let the contract to furnish coal for the county during the winter. There were several bids offered, but the bid of the Jackson Coal company was the lowest, and they were given the contract. The county has a good supply of coal during the winter, and there is some very sharp bidding among the dealers of this city. The prices of coal were the lowest ever bid in this county. Several different grades and kinds are used by the county, and the bid was a long one.
